2. The first sentence of Section 6.8 is hereby revised to read as follows: "The owners of both units in each duplex building shall be jointly responsible for the care, maintenance, repair and replacement of common roofs, chimneys, doors, windows, structural components and utility services of their duplex building. An individual unit owner shall be responsible for the care, maintenance, repair and replacement of those elements if the element(s) benefit only a single unit."

The owner shall furnish to the Association current certificates of insurance verifying that such fire and extended coverage is in full force and effect. 5.3 To the extent reasonably practicable, the Association shall endeavor to maintain a uniform exterior appearance for all buildings on the Property.

ARTICLE 6

Use Restrictions

6.1 The units shall be used for residential and home occupation purposes only. "Home occupation" means the conduct of a business, occupation, or trade in a unit that is incidental and secondary to the residential use and does not change the residential character of the Property. In addition to all regular repairs and maintenance or replacements by such owners, the owners shall be responsible to replace a roof in its entirety in the event the Association determines that, due to time and deterioration, such roof needs to be replaced in its entirety. The repair or replacement of any roof shall be in a manner pre-approved by the Association. In the event that any owners fail to properly maintain, repair and replace any such roof, door, window, chimney, structural components or utility service, then the Association shall have the authority to do such maintenance, repair or replacement and to assess the owners of such Units for all costs, fees and expenses incurred therefor and to issue a default assessment against the Owners' Units in the event the same is not paid to the Association within thirty (30) days from the date of billing.

ARTICLE 7

Easements

7.1 Each unit shall be subject to an easement for encroachment created by construction, settling and overhang as designed or constructed by Declarant, and a valid easement for such encroachment and its maintenance shall and does exist. If a townhome building is partially or totally destroyed and then rebuilt, the owners of the units agree that encroachments of parts of the adjacent unit for construction shall be permitted and that a valid easement for said encroachments and their maintenance shall exist.

7.2 There is hereby created a nonexclusive blanket easement upon, across, over and under all of the units and the improvements situated thereon, in favor of the Association for the benefit of all owners for:

7.2.1 The installation, replacement, repair and maintenance of all utilities and common facilities including but not limited to water, sewer, gas, telephone, electricity, internet and cable television, together with the lawn sprinkler system and parking areas.

No parking of vehicles shall be allowed on the common driveway or parking/driveway area so as to impede access thereto or to any unit.

ARTICLE 8

Remedy for Nonpayment

8.1 The Association, has a statutory lien on a unit for any assessment levied against that unit or fines imposed against its unit owner. Fees, charges, late charges, attorney fees, fines and interest charged pursuant to Section 38-33.3-302 (1) (j), (1) (k), and (1) (1), Section 38-33.3-313 (6), and Section 38-33.3-315 (2) of the Act are enforceable as assessments.

8.2 If any common expense of an owner or any assessment or other charge levied by the Association is not paid within thirty (30) days after notice thereof is given, such amount shall, upon recording by the Association of a lien statement in the office of the Gunnison County Clerk and Recorder, become a lien upon the unit of the nonpaying owner and shall continue to be such a lien until fully paid. This lien shall be the superior lien to any first mortgage or first deed of trust and shall be enforceable in an action for the collection of a debt and to enforce the aforesaid lien by all methods available, including foreclosure by an action brought in the name of the Association in a like manner as foreclosure of a mortgage under the statutes of the State of Colorado.

8.3 The lien provisions of this Declaration shall not bar the Association, the Fairway Park at Skyland Association or an owner from seeking such other injunctive or monetary relief as provided in this Declaration or as may be allowed at law or in equity. All remedies shall be cumulative.

8.4 The Association shall be awarded all costs, including reasonable attorneys' fees and costs, incurred in collecting any assessments or charges levied by the Association or in enforcing any provision of this Declaration.

8.5 The Association shall furnish to a unit owner or such unit owner's designee or to a holder of a security interest or its designee upon written request, delivered personally, or by certified mail, first-class postage prepaid, return receipt, to the Association's registered agent, a written statement setting forth the amount of unpaid assessments currently levied against such owner's unit. The statement shall be furnished within fourteen calendar days after the receipt of the request and is binding on the Association, the executive board and every unit owner. If no statement is furnished to the unit owner or holder of a security interest or his or her designee, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the inquiring party, then the Association shall have no right to assert a lien upon the unit for unpaid assessments which were due as of the date of the request.

8.6 In collecting past-due assessments and other delinquent payments, the Association shall:

8.6.1 Adopt and comply with a collections policy that meets the requirements of Section 38-33.3-209.5 (5) of the Act; and

8.6.2 Make a good-faith effort to coordinate with the unit owner to set up a payment plan that meets the requirements of the Act.

A payment plan negotiated between the Association and the unit owner must permit the unit owner to pay off the deficiency in equal installments over a period of at least six months. Nothing in this section prohibits the Association from pursuing legal action against a unit owner if the unit owner fails to comply with the terms of his or her payment plan. A unit owner's failure to remit payment of an agreed-upon installment, or to remain current with regular assessments as they come due during the six-month period, constitutes a failure to comply with the terms of his or her payment plan.

ARTICLE 9

9.1 If any portion of this Declaration is declared invalid or unenforceable, such invalidity or unenforceability shall in no wise affect any other provisions of this Declaration.

9.2 To the extent that they are not inconsistent with this Declaration, the general rules of law regarding party walls shall apply to The Greens at Fairway Park.

9.4 Except for Gunnison County and the Fairway Park at Skyland Association, none of the terms, conditions or covenants contained in this Declaration shall be deemed to be for the benefit of any person not a party hereto, and no such person shall be entitled to rely hereon in any way or manner. For purposes of this section, "party" shall include Declarant, the owners, and their heirs, representatives, successors and assigns.

9.5 Neither this Declaration nor the Plat of The Greens at Fairway Park shall be amended except by an instrument signed in writing by the owners of four (4) of the units, which instrument shall be recorded in the office of the Gunnison County Clerk and Recorder. Approval by holders of deeds of trust and/or mortgages shall not be required.

9.6 This Declaration shall be interpreted in accordance with the law of the State of Colorado. Any litigation brought to enforce or interpret the provisions of this Declaration shall be brought in a court of competent jurisdiction in Gunnison County, Colorado, and the prevailing party in such litigation or in any arbitration shall be awarded all reasonable attorneys' fees and costs, including expert witness fees and costs.

9.7 A unit may not be conveyed pursuant to a time-sharing arrangement described in Sections 38-33-110 to 113, Colorado Revised Statutes.

9.8 All leases and rental agreements shall be in writing and subject to the reasonable requirements of the Association.

9.9 All easements and licenses to which the project is presently subject are recited in **Exhibit A**. In addition, the project may be subject to other easements granted by the Declarant as shown on the Plat.

9.10 Notwithstanding the amendment provisions in Sections 9.5 and 10.1.1 of this Declaration, Section 1.4 shall not be amended.

ARTICLE 10
